

LOGANVILLE FOOTBALL

TOUCHDOWN CLUB

OCTOBER 7, 2019

The Loganville Football Touchdown Club met Monday night, October 7th, 2019 at 7pm in the team room of the field house of Loganville High School. The meeting was called to order by Brandon Cordell.

Brandon did have a few things right at the first of the meeting to discuss. He stated that our concession stand had been having a phenomenal year so far and attributed it to Crystal Glover, her husband and the volunteers that have come together to make it happen. Sales have been great and we hope it continues to go as smoothly as it has been. First Baptist Loganville has helped already this year on our grills and we understand that they will be helping again for homecoming. He also stated that our ice machine is finally up and running after a year or more. This will be a tremendous help and save money as well. Also the trees around the retention pond have been trimmed thanks to Brandon and all his hard work. The board of patrons is now visible to our fans as they enter the stadium. Many thanks to our President for making this happen.

Secretary Jo Mason stated that the minutes were posted for September.

Staci Green our treasurer said that our current balance was \$32,372.91 but we did have the normal end of year expenses that would occur.

Christy Screws who is over our membership said that memberships could still be paid and reminded everyone that membership would need to be paid for admittance to the banquet. Players will be covered and admitted regardless. Also the board reiterated that senior gifts would also only go to those seniors who had paid their player fee this year.

Jo Mason said that there would be a Mom's Club meeting at her house on October 29th at 7pm. We will be eating soup and discussing end of year activities. We are wanting to sponsor a coat drive for the end of the year and our last two games are at home. More to be discussed at the meeting. Also the Freshman Banquet will be on Monday night, October 28th at 6pm in the Cafeteria of Loganville High School. It will be catered by the Master's Table.

Coach Humphries then took the floor. First of all he thanked everyone for coming. He apologized on the mix up at Alcovy. He said they had not notified him and the game was also scheduled on their website. He felt like the Freshmen and JV teams had done well and thanked everyone for their participation. He was excited about the Big Win over Walnut Grove and said that it was just the start of region play. This week we are getting ready for Clarke Central and it would be a tough game. He said the week of fall break the boys will practice 10-12pm Monday, Tuesday, Wednesday, off Thursday and do their walk thru on

Friday morning. They will eat at pregame meal on Friday as usual before heading to Buford.

Coach also stated that the online fund raiser company had been in touch with him and apologized for the delay. We should be getting it any day.

Brandon asked for a motion to adjourn the meeting. Jerry Daniel made a motion and it was seconded by Clint Farmer. Meeting was adjourned.
