

# **LOGANVILLE FOOTBALL TOUCHDOWN CLUB**

**May 6, 2019**

The LHS Touchdown Club met Monday night, May 6<sup>th</sup>, 2019 at 7pm in the team room of the field house at Loganville High School. The meeting was called to order by President Brandon Cordell.

First up for the evening was Dennis Schmidt. He is the person responsible for making our field the best in the region and orchestrating the plan of action each year to make this happen. He wanted to drop by personally and introduce himself to some of the parents who may not know him and make them aware of what we do behind the scenes to insure that we have the field that we do. Our first field day will be Saturday June 1<sup>st</sup> starting at 8am. He stated that we need all the volunteers we can get so that it does not take as long. Dennis said that the Touchdown Club is responsible for everything inside the short fence. The Walton County BOE is responsible for the rest. However, edging around the track etc..can take a great deal of time. He also asked that men bring equipment such as blowers, weed eaters, edgers, etc..

Dennis stated that the first thing to be done this year as far as equipment goes it to have the blades sharpened on our reel mower. This usually runs around \$400 and will be done in the next week or so.

Jo Mason our secretary stated that the minutes had been sent to Coach Humphreys for posting and should be posted soon.

Staci Greene treasurer stated that our balance was \$6408.31. Only outstanding invoices to pay is reimbursement to a parent for raffle tickets that were ordered and also reimbursement for our post office box rental.

Jo Mason stated that the first Mom's Club meeting for 2019 was a success and we had a great turnout. Enjoyed a time of getting to know each other and discussing plans for the coming year. A shirt for the Mom's club is in the works and we just need to iron out the details. Hope to have it all lined up and ready to sell in the next week or two. The App is being updated for the Moms Club and if

you have any questions just see her after the meeting, call me or email me anytime.

Katie Farmer was out of town so Jo Mason read an email from her regarding Sponsorship and The Pancake Breakfast. It is as follows:

The rising Junior/Senior Pancake Breakfast at Applebee's in Loganville is Saturday, May 18<sup>th</sup>. Players must turn in money or any unsold tickets to Coach Humphreys by THIS FRIDAY May 10<sup>th</sup>. If your player has not already picked up these tickets to sell, they need to see Coach ASAP and get them sold this week. This is so we can give APPLEBEE'S an accurate count for the breakfast. If you need more tickets, email me at [kf.lhs.football@gmail.com](mailto:kf.lhs.football@gmail.com)

We will need players and some parents to help serve at the breakfast. More info will come about that the first of next week. The Applebee's staff will be cooking and preparing the food. We will serve as greeters and waiters. Please arrive at 730am for a brief instructional chat from the Applebee's staff before our breakfast fundraiser starts at 8am and runs until 10am. Remember

the RISING FRESHMAN/SOPHMORES will have their breakfast in August.

As far as sponsorship opportunities, remember that the 2019-20 form is on the football website. Any sponsorship a player acquires, excluding the stadium sign, will earn them 50% credit towards their player fees. For example \$100 sponsorship = \$50 towards player fees. The stadium sign however, is an exception to this rule. If a sponsorship is acquired for the front of the stadium sign (which cost \$1000), they will get 20% credit or \$200 towards their fee. If they acquire a sponsorship for the back of the sign (which is \$500), they will get 20% credit or \$100 towards their fees. If you think you may have someone that is interested in a stadium sign spot, it is imperative that we know as soon as possible so we can secure a spot. There are a limited number of spots available each year as we have many who renew year after year. Remember that all monies for sponsorships are due by July 14<sup>th</sup>. So it is best to start securing now. Please email Katie at the above email with any questions you may have.

Christie Screws our membership chair stated that memberships are starting to come in. She stated that Raffle ticket sales seem to be going good and several have turned in their money already and gotten more raffle tickets. Christie said that she had Raffle tickets with her tonight if anyone needed any additional tickets to sell.

A new business item to address tonight is the condition of our grill in the concession stand. President Brandon Cordell stated that is beyond repair. He stated that parts to repair this grill would cost more than a brand new one. He stated that we could purchase one at Sam's Club for right at about \$400 maybe a little less. He asked for a motion to buy the grill. A motion was made by Craig Mason and was seconded by Denice Vaughn. Motion passed with none opposing. Brandon also stated that at present time our ice machine at the field is working so let's hope it continues.

Coach Humphreys stated that practice had went really well but was a typical day of a first practice. He said that

the boys were very enthusiastic and excited for the coming year. He said that the rising Freshman class had about 24 people out yesterday and combining with the rising Sophomores, Juniors, and Seniors we had about 85-90 kids. Coach reminded everyone about the team outing tomorrow night after practice. The team will be going to THE CROSS CHURCH here in LOGANVILLE tomorrow night. The program will consist of a meal and a guest speaker. Starting time is 630 pm and will end between 745-800pm. We will provide transportation by bus and no students will be riding together. If your player cannot drive, he must ride the bus. Parents must pick up their child or arrange to have them picked up by 745-800pm.

No other business for the evening. Brandon Cordell asked for a motion to adjourn. A motion was made by Jerry Daniel and seconded by several parents. Meeting was adjourned.
