

LOGANVILLE FOOTBALL TOUCHDOWN CLUB

August 5, 2019

The Loganville Football Touchdown Club met Monday night, August 5th, 2019 at 7pm, in the team room at the field house of Loganville High School. The meeting was called to order by our President Brandon Cordell.

Secretary Jo Mason stated the minutes were on the website.

Pastor Doug Brown, our team chaplain, was there to discuss the upcoming Biker Show at Moonshiners this Saturday, August 10th, that he is helping with. He has been involved and ministered to Bikers for quite awhile and is using his affiliation to help another cause that is dear to his heart, our team. The start time is 10am and he needs some parents to arrive by 9am to help set up the silent auction table and the raffle ticket table. He encouraged the boys to come wear their jerseys and also encouraged parents to come. He said they have great food and there would be good music to listen to as well. He thanked us for our time and told us he would see us Saturday.

Staci Greene, Treasurer, stated that our balance was \$27,598.74. She said she does have some more checks to deposit by the weekend and some was given to her and Christie tonight.

Katie Farmer, Sponsorship Chair, said was sign was near being completed and would be up by our first game if not before. She said

that we did have some space left and if someone knew of someone who would like to be on the sign just to see her after the meeting. Also reminded us of our upcoming pancake breakfast at Applebees on August 17th. This one will be for the FRESHMEN AND SOPHOMORE CLASS. Time of the breakfast will be 8-10 am and the boys need to arrive in their jerseys by 730am to get an instructional walk thru with the manager on what to do. Hoping for an even better turn out than the last one. It's a lot of fun and everyone seemed to enjoy seeing the boys serve the customers their drinks. They even had a good time!!!

Christie Screws, Membership Chair, reminded everyone she was continuing to take player fee money and pass out raffle tickets. She reminded everyone that player fees must be paid before a player will receive his cloth. She also stated that payment arrangements could be made but of course time would be shorter now due to the season starting. Also reminded everyone that additional raffle tickets could be sold however they would be paid for up front. When the tickets were sold parents could just turn in the tickets and reimburse themselves. Every ticket sold over the required \$200 initial amount will go to the player fee at 100%.

Crystal Glover stated that we still needed help for the concession stand Friday night. She will be moving her son back to college and will not be able to be there. We are asking freshmen parents to work on Friday nights. She does have a couple of freshmen lined up already but does need some more.

Coach Humphries then took the floor. He stated that practice was going great and the kids seemed really excited for the scrimmage against Madison County on Friday night. He stated that this would be treated just like a regular game where they stay after school, have a pregame meal etc.. Said it was a practice run for the real thing in a couple of weeks. He stated that cloth would be coming in soon and the boys were also excited about that.

Brandon asked for a motion to adjourn. Motion was made by Jerry Daniel and a second was made by Darryl Glover. Meeting was adjourned.
